

Mayor's 2017 Greeting Card: Call for Submissions

The Office of the Mayor is seeking submissions from Collingwood based artists, for the cover of the 2017 Mayor's Annual Holiday Greeting card. The deadline for submissions is Monday, November 20.

Photographs or photos of original works of art will be considered and must be submitted by the artist. One image will be selected and featured on the Mayor's 2017 card. Acknowledgement of the artist, title and brief bio will appear on the reverse of the card, distributed to approximately 300 members of the community, dignitaries and friends.

The Town's Arts & Culture Policy supports inclusivity and diversity and opportunities and access to arts & culture for everyone. Submissions will also consider relevance to Collingwood, suitability for a seasonal greeting card and creativity. In the event that no suitable submissions are received, alternate artwork may be used.

The reproduction of the image is for the sole purpose of the Mayor's 2017 Greeting Card and there will be no financial gain from the reproduction.
